ACADEMIC POSITIONS

UNIVERSITY OF VERMONT

Associate Professor, Anthropology	Aug. 2004 - present
Acting Chair, Asian Languages and Literature	Jan. 2009-July 2009
Director, Asian Studies Program	Jan. 2009-July 2009
Interim Director, Asian Studies Program	June 2007 – July 2008
Assistant Professor, Anthropology	Aug. 1998 - May 2004
Visiting Assistant Professor, Anthropology	Jan. 1998 - May 1998

FUDAN UNIVERSITY

Faculty Affiliate, Medical Anthropology Program	Oct. 2007-present
---	-------------------

HARVARD UNIVERSITY

Teaching Fellow, Asian Studies	Sept. 1997 – Jan. 1998
Teaching Fellow, Anthropology	Sept. 1991 - June 1997

EDUCATIONAL BACKGROUND

HARVARD UNIVERSITY

Ph.D in Social Anthropology.	June 1994 - June 1998
------------------------------	-----------------------

PEKING UNION MEDICAL COLLEGE HOSPITAL

Fieldwork internship on aging and menopause, Dept. of Obstetrics and Gynecology.	Fall 1993-Summer 1994
--	-----------------------

HARVARD UNIVERSITY

M.A. in Social Anthropology.	Sept. 1990 - June 1994
------------------------------	------------------------

BEIJING UNIVERSITY

Fulbright/ITT International Fellow in Chinese history and culture, Department of History.	Sept. 1989 - May 1990
---	-----------------------

DARTMOUTH COLLEGE

B.A., summa cum laude, and high honors in Asian Studies.	Sept. 1985 - June 1989
--	------------------------

UNIVERSITY COLLEGE LONDON

Dartmouth College Foreign Study Program in English Literature.	Oct. 1987 - March 1988
--	------------------------

BEIJING NORMAL UNIVERSITY

Foreign Study Programs in Chinese Language and Literature organized by Dartmouth College and University of Massachusetts-Amherst.	June 1986 - Dec. 1986
---	-----------------------

BELLOWS FREE ACADEMY, FAIRFAX, VT

	Sept. 1973 - June 1985
--	------------------------

SCHOLARSHIP

CURRENT RESEARCH

- Mainland Chinese women's views and experiences of the lifecycle, the generations, aging, middle age, menopause, and old age, analyzed in cross-cultural perspective.
- Media representations of later-life romance, sex, and marriage in mainland China in comparison with ethnographic research on ordinary Chinese women's views and experiences.
- Experiences of Chinese immigrants in Montréal, including ethnic identity, everyday life, lifecycle, intergenerational relationships, and health, healing, and health care.

- Current issues in medicine: evidence-based practice, complementary and alternative medicine, and cultural competence; theory and practice of traditional Chinese medicine.
- Visual documentation of Chinese communities in North America and China.

RESEARCH AND TEACHING INTERESTS

- Sociocultural anthropology. China, East Asia, Canada, and the United States.
- Medical anthropology, health, illness, healing, and health care in social perspective.
- Psychological anthropology, the lifecycle, human development, and aging.
- Cultural/generational differences in lifecycle experience and intergenerational issues.
- Health concerns and social issues marking lifecourse transitions; families and caregiving.
- Women's studies, cultural construction of gender and sexuality, feminist perspectives.
- Culture and history of Chinese populations in East Asia and North America.
- Women, health, aging, gender, sexuality, and conjugality in China and cross-culturally.
- Chinese views and experiences of the lifecycle, middle age, menopause, and old age.
- Chinese experiences of illness, healing practices in China, health care system in China.
- Negotiation of identities, cultures, and languages in the Chinese diaspora in Montréal.
- Multiculturalism, transnationalism, interaction of "eastern" and "western" cultures.
- Integration of qualitative and quantitative research methodologies.
- Visual anthropology, still photography, and documentary film.

ETHNOGRAPHIC FIELDWORK EXPERIENCE

- | | |
|---------------------|---|
| •Mainland China | 1986, 1989-90, 1992, 1993-94, 1996, 2000, 2007, 2008 |
| •Taiwan | 1990, 1996 |
| •Hong Kong | 1986, 1990, 1992 |
| •Chinatowns, Canada | Montréal 1980-85, 1992, 1998-2005, Toronto 2005 |
| •Chinatowns, U.S. | Boston 1990-92, 1995-98, 2000; New York 1989, 2000; San Francisco 1996, 2000; Philadelphia 1998 |

LANGUAGE PROFICIENCY

- Mandarin Chinese: Fluent speaking, reading, and writing ability.
- Cantonese: Rudimentary oral comprehension of some basic phrases.
- French: Advanced reading and listening ability, intermediate speaking and writing ability.
- English: Native speaking, reading, and writing ability.

Dissertation

Revolutionary Women At Middle Age: An Ethnographic Survey of Menopause and Midlife Aging in Beijing, China, Doctoral Dissertation in Department of Anthropology, Harvard University, Cambridge, Massachusetts, published by UMI, 1998, 353 pages.

Technical Reports

Jeanne L. Shea, *Research Report: Negotiating East and West: Chinese in the Montréal Mosaic* (sole author), submitted to Canadian Embassy in the United States upon completion of Faculty Research Grant, Washington, D.C., March 2003 (technical report).

Thesis

Jeanne L. Shea, *The Impact of Economic and Political Systems on Fertility and Population in Singapore and China*, Senior Honors Thesis in Asian Studies, Dartmouth College, Hanover, New Hampshire, 1989, 150 pages.

CONFERENCE PAPERS

Paper to be proposed for panel on gender, family, and kinship in China for American Anthropological Association conference in New Orleans, November 2010.

Paper on women, gender and aging in China to be presented at Workshop on Social Suffering, Harvard University, Cambridge, Massachusetts, May 7-8, 2010.

"Later Life Conjuality in Contemporary China: Dominant Promotional Discourses Versus Chinese Women's Own Views," paper presented in panel entitled Much Ado About Marriage: Companionate Marriage, Gender, and the Ends of Anthropology at annual meeting of the American Anthropological Association, Philadelphia, December 2-6, 2009.

"Chinese Women, Aging, Conjuality, Sex, and Well-Being," paper presented to Yunnan Health & Development Research Assoc. Meeting, Kunming, China, July 19, 2008

"Chinese Women, Aging, Conjuality, Sex, and Well-Being" paper accepted by Medical Anthropology panel to be presented at the ICAES international anthropology conference in Kunming, Yunnan, China, July 15-23, 2008 (conference cancelled due to security concerns).

"Socioeconomic Development, Women, and Aging in Contemporary China," paper presented at the Harvard Yenching Conference on Rethinking Development in China: Social and Cultural Perspectives, Harvard University, Cambridge, MA, Apr. 25-26, 2008

"Menopause, 'Sexual Liberation,' and Older Chinese Women," paper presented at New Departures in the Cultural Study of Medical Anthropology and the Medical Humanities, Conference in honor of the establishment of the first medical anthropology program in China, Fudan University, Shanghai, October 20-21, 2007.

"Efficacy, Evidence, and the Authentic Natural Other: Menopause, Midlife Aging, and Western Encounters with East Asian Alternatives," paper presented at conference on Authenticity, Best Practice, and the Evidence Mosaic: The Challenge of Integrating Traditional East Asian Medicines into Western Health Care at University of Westminster in London, invited by Prof. Volker Scheid, April 19-20, 2007.

"Clinical Normativities and Women's Narratives: (Re)Visions of Gendered Aging in China," paper presented at the annual meeting of the American Anthropological Association, in Washington, D.C., November 2006.

"Liberating" Elders: Promotion Of Later-Life Romance, Sex, And (Re)Marriage In Mainland China," paper presented at the annual meeting of the American Anthropological Association, in Washington, D.C., Nov. 30-Dec. 4, 2005.

"Liberating" Elders: Promotion Of Later-Life Romance, Sex, And (Re)Marriage In Mainland China," paper accepted for presentation in a panel on *Aging and Projects of Modernity* at the annual meeting of the American Anthropological Association in San Francisco, CA, Nov. 2004 (meeting cancelled, unable to present).

"Cross-Cultural Comparison of Menopausal Symptom-Reporting," paper presented at the Northeastern Regional Medical Anthropology Conference at McGill University in Montréal, Québec, Apr. 2004.

"CAM (Complementary and Alternative Medicine) Reactions to Evidence-Based Practice: A Focus on Traditional Chinese Medicine," paper presented in panel entitled "Gift Horse or Trojan Horse? Evidence-Based Practice Transforming Medicine" at annual meeting of the American Anthropological Association in Chicago, IL, Nov. 2003.

"Negotiating East and West: Chinese in the Montréal Mosaic," paper presented at annual meeting of the Northeastern Anthropological Association in Burlington, VT, Mar. 2003.

"Sociocultural Competence Issues in Biomedical Health Care Encounters With Elderly Patients in the United States," paper presented in panel on Cultural Competency in the Biomedical Community at annual meeting of the American Anthropological Association in New Orleans, LA, Nov. 2002.

"Gender, Health and the Lifecycle in China," paper presented at the Asian Health and Healing Symposium, an international conference on health, healing, and health care in Asia sponsored by the UVM Asian Studies Program in Burlington, VT, Apr. 2001.

"Chinese Women's Views of the Generations and of Intergenerational Issues," paper presented at annual meeting of the American Anthropological Association in San Francisco, CA, Nov. 2000.

"Controversies Surrounding Romance, Sex, and Marriage Across the Lifecycle in China," paper presented at the annual meeting of the Northeastern Anthropological Association in Queens, NY, Apr. 2000.

"Chinese Debates Concerning Romance, Sex, and Marriage in Later Life," paper presented in panel entitled "Genders, Sexualities, Kinship, Lives: Perspectives Through Age," at the annual meeting of the American Anthropological Association in Chicago, IL, Nov. 1999.

"The Medicalization of Menopause and Female Midlife in Mainland China," paper presented in panel entitled "Consuming Health: Changing Health Care in East Asia," at annual meeting of American Anthropological Association in San Francisco, Nov. 1996.

"Chinese Experiences of Menopause, Middle Age, and Midlife Aging in the Transition from a ' Feudal' to a Socialist to a Socialist Market Economy," paper presented at conference on Transformation of Social Experiences in Taiwan, Hong Kong, and China held at Academia Sinica in Taipei, Taiwan, Aug. 25-30, 1996.

"Revolutionary Women At Middle Age: Intersections of Culture, History, and the Life Course in Mainland China," paper presented in a panel entitled "Culture, History, and the Life Course in East Asia," at American Anthropological Association meeting in Washington, D.C., Nov. 1995.

INVITED LECTURES

Lecture to be presented at Cell to Society Seminar, organized by the Clinical Translational Science Center at the University of Vermont, April 2010.

"Women's Health and Ageing in China," lecture presented at Cell to Society Seminar, organized by the Clinical Translational Science Center at the University of Vermont, April 30, 2009.

"Beyond the Natural Woman: Mixed Methods Approaches to Understanding the Midlife Health of Chinese Women in Beijing," paper presented to Fairbanks Center Gender Studies Workshop, Harvard University, December 12, 2008.

"Gender, Ageing, and Health in China," paper presented at the Shorenstein Center's AHPP Seminar Series on "The Implications of Demographic Change in China," paper presented to seminar sponsored by the Stanford China Program and the Asia Health Policy Program, Stanford University, November 19, 2008.

"Efficacy, Evidence, and the Authentic Natural Other: Menopause, Midlife Aging, and Western Encounters with East Asian Alternatives," invited paper presented at seminar series coordinated by Drs. Ted Kaptchuk and Andrew Ahn, Osher Research Center - Division for Research and Education in Complementary Integrative Medical Therapies, Harvard Medical School, April 8, 2008.

"Social and Cultural Perspectives on HPV and Vaccinations," paper presented at Cell to Society Seminar, organized by the Clinical Translational Science Center at the University of Vermont, October 2007.

"Gender, Aging, and Modernity in Post-Mao China: Women's Experiences and Public Discourse," lecture for research colloquium in Anthropology Department at McGill University, Mar. 2006.

"Chinese in the Montréal Mosaic: Issues of Identity, Language, and Culture," guest lecture in Prof. Bossen's course on the Chinese diaspora, McGill University, Mar. 2006.

"Ethnic Stereotypes and the Chinese Diaspora," lecture in the Psychology Department's Fall Institute on Biased Behavior at the University of Vermont, Oct. 2005.

"Chinese in Montréal's Multicultural Mosaic: Identity, Language, and Culture," lecture presented to Area and International Studies brown bag lecture series at UVM, Dec. 2003.

"Chinese Women and the Body: Past and Present," pre-performance lecture on cultural context for audience attending a Mainland Chinese avant-garde modern dance performance entitled "Report on Body" choreographed by Wen Hui, at Flynn Theater, Burlington, VT, Apr. 2003.

"Stereotypes of Chinese and Images of Chinese in Montréal," lecture presented to University of Vermont community in Fall Institute on Biased Behavior at UVM, Oct. 2001.

"Chinese Women's Experiences of the Lifecycle: A Comparison with Emily Martin's Woman in the Body," presentation to anthropology class taught by Prof. Adrie Kusserow, Saint Michael's College, Colchester, VT, Feb. 2001.

"Chinese Conceptions of Human Rights," presentation to Amnesty International group in Burlington, VT, Feb. 2001.

"Sociocultural Factors, Doctor-Patient Interactions, and Treatment Efficacy," lecture presented to Family Practice faculty and residents in conjunction with the cultural competency initiative, UVM Medical School, Nov. 2000.

"A Glimpse of Everyday Life in Late Imperial China," lecture presented to faculty, students, and community members at Fleming Museum in Burlington, VT, Nov. 2000.

"Ethnic Diversity in Montréal," lecture for UVM Canadian Studies continuing education seminar for teachers, Montréal: Past, Present, Future, Montréal, Jul. 12-13, 2000.

"Cross-Cultural Variation in Midlife Symptom-Reporting: China, Japan, the US and Canada," presented in Kentaro Murakami's graduate biology seminar at UVM, Feb. 2000.

"The Effects of Market Reforms on Health and Health Care in China," lecture presented in Area and International Studies lecture series at UVM, Jan. 1999.

"Revolutionary Women At Middle Age: Culture, History, and the Lifecourse in Mainland China," lecture for Anthropology Department, Cal-State Fullerton, May 1998.

"Revolutionary Women At Middle Age: Culture, History, and the Lifecourse in Mainland China." Presented to Department of Anthropology at UVM, Apr. 1998.

"Women's Health and Social Change: Menopause and Middle Age in China," presented at brown bag lecture series in Women's Studies at UVM, Mar. 1998.

EXTERNAL FACULTY RESEARCH GRANTS

Canadian Embassy Faculty Research Grant

Awarded competitive national faculty research grant of \$10,000 to conduct, as principal investigator, anthropological research project on Chinese residents of Montréal, entitled: *Ethnography of a Chinese Population within the Canadian Mosaic: Cultural Identity, Lifecycle Issues, and Health Practices Among Montréal Chinese*, Jan. 2001 – Mar. 2003.

Novartis Research Grant

Co-wrote proposal with P. Woolfson for Center for Study of Aging at McGill University; awarded \$50,000 grant for CSA to conduct intergenerational research and education in Montréal, June 1999 - June 2000.

FACULTY GRANTS, HONORS, AND AWARDS**Faculty Sabbatical, University of Vermont**

Awarded one semester of sabbatical leave, Fall 2008, and one year of sabbatical leave, 2004-2005.

Dean's Fund Awards for Faculty Research, University of Vermont

Awarded \$908 for research on women and aging in China, and Chinese medicine, efficacy and evidence in Beijing, Summer 2007; \$1000 for research on Chinese in Montréal, Nov. 2002-Nov. 2003; \$2000 for ethnographic research on Chinese in Montréal, Jan. – Dec. 2000; \$500 to attend ICAES conference in China summer 2008 and present a paper on Chinese women and aging, Spring 2008; \$300 and \$350 to present paper at research conference on East Asian Medicine, Evidence, and Efficacy, University of Westminster, London, April 2007.

Provost's Problem-Based Learning Community Award, University of Vermont

Awarded \$10,000 for Health Challenges in 21st Century with Professors Solnick and Burgin; discussions of health challenges with students in Anthropology, Political Science, and Economics, Spring 2008.

President's Marsh Professor-At-Large Award, University of Vermont

Award to bring Anthropologist Nancy Scheper-Hughes to UVM for a series of lectures, 2008.

University Committee on Research and Scholarship Grant, University of Vermont

Awarded \$4500 for research on cultural identity, lifecycle and generational issues, and health practices among Chinese population in Montréal, July 2000 – Aug. 2001.

Asian Studies Research and Conference Grants, University of Vermont

Awarded \$1000-\$2500 for research on Chinese culture in China and Montréal, 2000-2009; \$960 for research on lifecycle in China and Montréal's Chinatown and attending Asian studies conference, 1999; \$500 to present paper on Chinese Women's Views of Generations at American Anthropological Association (AAA) conference, Nov. 2000; \$300 to attend International Asian Studies Conference, Aug. 2000; \$500 to present paper on romance, sex and marriage in China at AAA Conference, Nov. 1999.

Canadian Studies Awards, University of Vermont

Awarded \$1200 through U.S. Department of Education for research on Chinese in Montréal, July-August 2002; conference award to attend Canada Seminar on contemporary political, economic, social, and cultural issues and international relations, in Ottawa, May 2003.

Center for Teaching and Learning Awards, University of Vermont

Awarded \$250 for teaching enrichment seminar, Fall 2003. Participated in web innovation program to incorporate web-based research skills into Ethnographic Methods course, Fall 2002. Awarded \$1000 for digital documentation of cultural and healing activities in China and in Chinatowns in Montréal, San Francisco, Boston, and New York, June 2000 - May 2001. Workshop on integrating technology and laptop into teaching, Aug. 2000. Curriculum Development Grant for visual anthropology, April – June 1999.

Women's Studies Research and Conference Grants, University of Vermont

Awarded \$300 by Women's Studies for research and conferences, 1998, 1999, 2000, 2001.

GRANTS FOR GRADUATE STUDY AND RESEARCH

• **Cora DuBois Dissertation Fellowship, Harvard University:** Awarded Sept. 1995– Feb. 1996.

• **National Institute of Mental Health Predoctoral Award:** Awarded in medical anthropology in Departments of Anthropology and Social Medicine at Harvard University, Sept. 1994 – Aug. 1995.

- CSCC Graduate Fellowship for Research in China:** Awarded by Committee on Scholarly Communication with China (American Council of Learned Societies) for dissertation research on menopause, middle age, and midlife aging in Beijing, June 1993 – Aug. 1994.
- National Science Foundation Graduate Fellowship:** Awarded for 3 years of graduate study in Anthropology at Harvard, Sept. 1990 – June 1994; NSF Travel Award for China research, June-Aug. 1992.
- Foreign Language and Area Studies Fellowship:** For graduate study, Chinese language and culture, Harvard University, Sept. 1992 – June 1993.
- Mellon Predissertation Award:** For preliminary dissertation research, China, June-Aug. 1992.
- Fulbright/ITT International Fellowship:** For graduate study, Beijing University, History Dept. Awarded by Fulbright Commission, Institute of Intl. Education, ITT International, Aug. 1989 – May 1990.

TEACHING AND ADVISING

COURSES TAUGHT

Anthropology Internship (UVM, 1-2)	Anth 201, 2006, 2009
Women's Studies Internship (UVM, 1)	WGST, 2006
Senior Thesis in Anthropology (UVM, 2)	Hon 202, 2005-06, 2007-08
Senior Thesis in Global Health IDM (UVM, 2)	JDHP/IDM, 2006-07
Senior Project Health Promotion IDM (UVM, 1)	2009-2010
East Asia Junior Tutorial (Harvard, 14)	1997-98
Thesis Advisor in Asian Studies (Harvard, 1)	1996-97
Thesis Advisor in Social Anthropology (Harvard, 2)	1994-96
Culture, Illness, Healing, Head Fellow (Harvard, 195)	1996-97
Culture, Illness, Healing, Teach. Fellow (Harvard, 35)	1996-97

Chinese Family, Teach. Fellow (Harvard, 20-40)	1991-93
Training in Interview/Survey Methods (BJ Med Univ, 9)	1993
Tutor in Chinese Conversation (Dartmouth, 1)	1989

ADVISING GRADUATE STUDENT RESEARCH

Dissertation Committees:

- Committee Chair, Kristin Weibust, Ph.D dissertation, Department of Psychology, UVM, Fall 2009-Spring 2010.
- Committee Member, Janna Linn Fikkan, Ph.D dissertation, individual and social psychology of dieting, Department of Psychology, UVM, Fall 2005-2008.
- Committee Chair, Vanitha Nair, Ph.D dissertation, rural health and HIV in Vermont, Department of Psychology, UVM, February 2003-Spring 2005.
- Committee Chair, Debby King, Ph.D dissertation, Chinese meditative arts in the professional development of teachers, School of Education, UVM, July 2003-Fall 2004.
- Committee Chair, Jing Qi, Ph.D dissertation, power relations between expatriate teachers and Chinese supervisors, School of Education, UVM, April 2003-Spring 2004.
- Committee Chair, Matthew Mishkind, Ph.D dissertation, organizational culture in business, Department of Psychology, UVM, Spring 2000-October 2001.
- Committee Chair, Annie Farnsworth, Ph.D dissertation, Chinese youth and their mental health, Department of Psychology, UVM, Fall 2001-Winter 2003.

Master's Thesis Committees:

- Committee Chair, Siling Zhou, M.A. thesis, project comparing ancient English and ancient Chinese poetry, Department of English, UVM, Fall 2007-present.
- Committee Member, Linda Pervier, M.A. thesis, translating a French serialized novel by a French-Canadian immigrant women in Lowell, MA., Canadian Studies Program, UVM, Fall 2006-Spring 2007.
- Committee Chair, Kristin Weibust, M.A. thesis, stigma of death surrounding persons with HIV/AIDS, Department of Psychology, UVM, Spring 2006-Spring 2007.
- Committee Chair, Lyn Morgan, M.A. thesis, menopause and aging among the Abenaki, School of Nursing, UVM, Fall 1999-Spring 2002.

ADVISING UNDERGRADUATE RESEARCH

Senior Thesis Committees:
