

**JOHN GORDON CROCK, PH.D.**

University of Vermont Department of Anthropology  
 Delehanty Hall, Room 111  
 180 Colchester Ave.  
 Burlington, Vermont 05405  
 (802) 656-4310  
 John.Crock@uvm.edu

**EDUCATION:**

2000 Ph.D. in Anthropology, University of Pittsburgh  
 1989 B.A. University of Vermont  
 Major in Anthropology, Minor in Religion

**RESEARCH INTERESTS:**

Archaeology of New England and northeastern North America; Archaeology and ethnohistory of the Caribbean Region; World Heritage; Cultural Resource Management; Trade and exchange; Maritime adaptations; Development of inequality; Human colonization of islands; Lithic analysis

**TEACHING EXPERIENCE:**

2005-present Assistant Professor, University of Vermont Department of Anthropology. Courses include *Introduction to Prehistoric Archaeology*; *Indians of the Northeast: Vermont*; *Peoples and Cultures of the Caribbean*; *Field Work in Archaeology*; *Archaeological Laboratory Methods*.  
 2000-2005 Research Assistant Professor, University of Vermont Department of Anthropology  
 1999; 1997 Teaching Assistant, University of Vermont  
*Field Work in Archaeology*, Anguilla B.W.I.  
 •Testing and excavation at the Shoal Bay site  
 1999; 1996 Teaching Assistant, University of Pittsburgh  
*Cultures of the Pacific*; *Introduction to Archaeology*  
 •Prehistoric colonization; ethnography; contemporary issues  
 1998 Fall Instructor, University of Pittsburgh  
*Introduction to Archaeology*  
 •Archaeological method and theory; survey of world prehistory

**CULTURAL RESOURCE MANAGEMENT EXPERIENCE:**

2000-present Director Consulting Archaeology Program, Department of Anthropology, University of Vermont. Principal investigator and chief administrator.  
 1999 Principal Investigator Phase IB Archaeological Survey of the Proposed Beef Island Airport Expansion Project, Tortola, British Virgin Islands.  
 1998 Fall Project Facilitator, Dept. of Anthropology, University of Pittsburgh

- Closing of the Center for Cultural Resource Research (CCRR), the University's Cultural Resource Management Program.
- Responsibilities included acting as liaison between CCRR, the Anthropology Dept. and the Administrative Dean; transferring collections and equipment; resolving artifact and record curation issues.
- 1995-1998     Principal Investigator, Dissertation Field Work in Archaeology, Anguilla, B.W.I. "*Elite Control and Chieftdom Development in the Eastern Caribbean.*" James B. Richardson III, Co-PI and Dissertation Advisor.
- Designed and directed testing and excavation at five prehistoric village sites; supervised laboratory processing, analysis and curation; constructed collection space; supervised volunteers.
- 1996           Principal Investigator, Phase II testing and Phase III mitigation of the Barnes Bay site, a late prehistoric village in Anguilla, B.W.I., for the proposed Cocoloba Hotel/Meta-Resort expansion project.
- 1992-1993     Project Director, University of Maine at Farmington Archaeology Research Center (UMF ARC) Anguilla Archaeology Project, Anguilla, B.W.I. Funded by a grant from the United Nations Development Programme (UNDP).
- Responsibilities included negotiations with Government and NGO officials; processing, analysis, and curation of more than 60,000 artifacts from forty prehistoric Amerindian sites; direction of one to six person field crews in the archaeological testing of two sites; creation of a computer database; report preparation; public education.
- 1990-1993     Research Supervisor, UMF ARC, Supervised twenty-three phase I reconnaissance survey and phase II testing projects in Maine, New Hampshire, and Vermont.
- Field responsibilities included direction of four to fifteen person crews in the identification and excavation of prehistoric and historic Euroamerican archaeological sites; aerial photograph analysis; budget management; landowner negotiation; topographic and schematic map preparation; photographic documentation; boat operation and maintenance; public relations.
  - Laboratory responsibilities included preparation of scopes-of-work and project proposals; supervision of laboratory, drafting, and data entry personnel; report preparation and production; database management; lithic analysis; ceramic analysis; artifact curation; and document research.
- 1990-1991     Lithic Analyst Co-directed attribute and quantitative analysis of the lithic assemblage from the Trants site, Montserrat, West Indies.
- 1990           Volunteer Archaeological Testing of the Trants Site, Montserrat, West Indies. Carnegie Museum of Natural History and UMF ARC.

- 1989-1990     Assistant Research Supervisor, UMF ARC, Assisted in the supervision of eleven phase I reconnaissance survey, phase II testing and phase III mitigation projects in Maine and Vermont.
- 1988 Summer   Field Assistant, UMF ARC, Participated in three phase I reconnaissance survey and phase II testing projects in Maine and New Hampshire.
- 1987 Summer   Laboratory Research Assistant, University of Vermont. Student Field Work in Archaeology, Department of Anthropology, University of Vermont. Archaeological mitigation for the Highgate Falls Hydroelectric Project, Highgate, Vermont.

#### UNPUBLISHED MANUSCRIPTS

- 2000 *Interisland Interaction and the Development of Chiefdoms in the Eastern Caribbean*. (JGC) Ph.D Dissertation. University Microfilms, Ann Arbor.

**PROFESSIONAL MEETINGS/SESSIONS ORGANIZED**

- 2008 Co-Organizer with Antonio Curet of session entitled “The Taino Concept from a Sociopolitical Perspective” at the 73<sup>rd</sup> Annual Meeting of the Society for American Archaeology, Vancouver.
- 2007 Program Chair, 74<sup>th</sup> Annual Meeting of the Eastern States Archaeological Federation, Burlington, Vermont. 65 papers, 200+ registrants.

**PROFESSIONAL PAPERS:**

- 2009 They Lived by the Sea: Pre-Columbian Maritime Adaptation, Interisland Exchange and Cosmology in the Eastern Caribbean. Paper presented in *The Caribbean Basin Before Columbus* a symposium sponsored by the Pre-Columbian Society of Washington D.C.
- 2009 Point Clouds and Ceremonial Caves: The Use of Ground-Based LIDAR in the Interpretation and Preservation of Fountain Cavern, Anguilla. Paper presented at the 23<sup>rd</sup> Congress of the International Association of Caribbean Archaeology, Antigua.
- 2009 Zooarchaeological Analysis of Fishing at the Rendezvous Bay Site, Anguilla: an Investigation into Possible Overexploitation of Marine Fishes. James Allen, John G. Crock and Nanny Carder. Paper presented at the 23<sup>rd</sup> Congress of the International Association of Caribbean Archaeology, Antigua.
- 2009 A Comparison of the Relative Proportions of Invertebrate Species recovered from the Sandy Ground and Rendezvous Bay sites on Anguilla. Alexandra Clark and John G. Crock. Paper presented at the 23<sup>rd</sup> Congress of the International Association of Caribbean Archaeology, Antigua.
- 2009 Fountain Cavern, Anguilla. Invited paper presented at the UNESCO World Heritage International Meeting on Prehistoric Sites, Kingdom of Bahrain.
- 2009 For the Love of Shellfish: Contributions to the Study of PreColumbian Maritime Adaptations in the Eastern Caribbean. Paper presented at the 74<sup>th</sup> Annual Meeting of the Society for American Archaeology, Atlanta.
- 2009 The Archaeology of Late PreContact Period Native Settlement in the Northern Champlain Valley. Paper presented at the Vermont Quadricentennial Indigenous Conference, St. Michael’s College, Colchester, Vermont.
- 2009 PreColumbian Maritime Adaptations in the Eastern Caribbean. Invited paper as part of the symposium “Winds, Mountains, Oceans, Rivers: Ecologies and Their Social Impacts in the New World.” University of Pittsburgh Center for Latin American Studies.
- 2008 Reconstructing Systems of Exchange During the Late Ceramic Age in the Northern Lesser Antilles. Invited paper presented in the session entitled “Mobility and Exchange from a pan-Caribbean Perspective” at the 73<sup>rd</sup> Annual Meeting of the Society for American Archaeology, Vancouver.
- 2007 On the Eve of Contact: A View from the Bohannon Site, a St. Lawrence Iroquoian Occupation on Missisquoi Bay. Paper presented at the 74<sup>th</sup> Annual Meeting of the Eastern States Archaeological Federation, Burlington, Vermont.

- 2006 Returning to the Leicester Flats, Salisbury Vermont: Preliminary Results of 2006 Excavations at the Site Where a Young James Petersen Found Archaeology. Invited paper presented in the James Petersen Memorial Session at the 73<sup>rd</sup> Annual Meeting of the Eastern States Archaeological Federation Meeting, Fitchburg, Mass.
- 2006 History and Archaeology of the Old Burial Ground in St. Johnsbury. Paper presented in the symposium entitled "Discovering Forgotten Cemeteries" sponsored by the Center for Research on Vermont, Burlington.
- 2006 "Stepping Stones to the Amazon: James B. Petersen's Research in the Caribbean" Invited paper presented in: "Amazon and Vermont, A Symposium in Honor of the Work of James Petersen, 13<sup>th</sup> Annual Hispanic Forum, University of Vermont.
- 2006 Fountain Cavern: A Ceremonial Cave Site in Anguilla. Invited paper presented at the UNESCO World Heritage Seminar of International Experts on Amerindian Rock Art, Guadeloupe, French West Indies.
- 2006 Whitehead's Bluff and Dog Island sites and the pre-Ceramic Age on the Anguilla Bank. Invited paper presented at the symposium entitled "Current Research in the Caribbean," University of Leiden, The Netherlands.
- 2006 Archaeological Evidence of Eastern Tainos: Late Ceramic Age Interaction Between the Greater Antilles and the Northern Lesser Antilles. Invited paper presented in "Interisland and Continental Interaction in the Caribbean." Opening Session of the 71<sup>st</sup> Annual Meeting of the Society for American Archaeology, San Juan.
- 2006 Colonization, Population Expansion and Complexity in the Northern Lesser Antilles (with James Peteresen+). Paper presented at the 71<sup>st</sup> Annual Meeting of the Society for American Archaeology, San Juan.
- 2006 Preliminary Interpretations of Ceramic Compositional Analysis from Late Ceramic Age Sites in Anguilla and the Salt River Site in St. Croix (Michael Glascock, JGC, Birgit Morse, James Petersen+, and Christophe Decantes). Paper presented at the 71<sup>st</sup> Annual Meeting of the Society for American Archaeology, San Juan.
- 2006 Amazonians in the Caribbean: The Archaeological Signature of the Arawak Diaspora (Joshua Toney, Michael Heckenberger, and JGC). Paper presented at the 71<sup>st</sup> Annual Meeting of the Society for American Archaeology, San Juan.
- 2006 Early to Late Woodland Period Plant Use Along the Missisquoi River and Missisquoi Bay in Northern Vermont (Ellen Cowie, JGC and James Petersen+). Paper presented at the 71<sup>st</sup> Annual Meeting of the Society for American Archaeology, San Juan.
- 2005 James B. Petersen and the Archaeology of Anguilla. Invited lecture for the Vermont Archaeological Society Fall Meeting, Burlington.
- 2005 Losing Ground at a Rapid Rate: The Effects of Two Decades of Hotel Development on Anguilla's Amerindian Heritage. Paper presented at the 21<sup>st</sup> International Congress for Caribbean Archaeology, Trinidad and Tobago.

- 2005 Vertebrate Remains from Anguilla (Nanny Carder and JGC). Paper presented at the 21<sup>st</sup> International Congress for Caribbean Archaeology, Trinidad and Tobago.
- 2005 "The Significance of Anguilla's Fountain Cavern within the Broader Caribbean Region." Invited paper presented at the UNESCO World Heritage Workshop for Latin America and the Caribbean, Anguilla, British West Indies.
- 2005 "The Archaeology of the Lesser Antilles after Saladoid Migrations." Invited symposium entitled *A History of the Caribbean*. Island of the Burén: The Taínos and Their Predecessors in Puerto Rico exhibition, Taller Puerriqueño, Philadelphia.
- 2004 "Random Bottom Surveys by Scallop Draggers and Evidence of Submerged Early Holocene Sites in the Coastal Waters of the Gulf of Maine." Invited Symposium. Paper presented at the 69<sup>th</sup> Annual Meeting of the Society for American Archaeology, Montreal, Quebec, Canada
- 2004 "A 3,600 year old Native American Campsite in Manchester Center and other Recent Discoveries in Vermont Archaeology." Invited lecture as part of VT Archaeology Month. Sponsored by the Maple Street School Trustees, Manchester, Vermont.
- 2003 The Mazza Site: A Late Paleoindian site in Vermont with New Hampshire Connections. Paper presented at the Annual Meeting of the New Hampshire Archaeological Society. Ossipee, New Hampshire.
- 2003 Amerindian Ceramic Exchange in the Caribbean: Evidence of Interisland Trade from Anguilla, British West Indies. Paper presented at the Vermont Archaeological Society Fall Meeting. Burlington, Vermont.
- 2003 "They Came from Caves in the East?": The Myth of Taíno Origins and the Reality of Interaction between the Small Islands in the East and the Big Islands in the West. Paper presented at the 20<sup>th</sup> International Congress for Caribbean Archaeology, Santo Domingo, Dominican Republic.
- 2003 Paleoindian Sites Recently Discovered in Vermont: Contributions to Understanding Early Native American Settlement Patterns and Interregional Interaction. Paper presented in the invited symposium "Recent Contributions to Paleoindian Studies in New England" at the 43<sup>rd</sup> Annual Meeting of the Northeastern Anthropological Association, Burlington, Vermont.
- 2003 Random Bottom Surveys by Scallop Draggers and Evidence of Submerged Early Holocene Sites in the Coastal Waters of the Gulf of Maine. Paper presented in the invited symposium "Muddy Waters: Identifying, Assessing, and managing Submerged Prehistoric Resources in the Northeastern United States" at the 36<sup>th</sup> Annual Conference on Historical and Underwater Archaeology, Providence.
- 2002 The Bohannon Site in Alburg, Vermont. Paper presented at the Fall Meeting of the Vermont Archaeological Society. Shelburne, Vermont.
- 2002 A St. Lawrence Iroquoian Village in Vermont: The Bohannon Site on Missisquoi Bay in Northern Lake Champlain. Paper presented at the 69<sup>th</sup> Eastern States Archaeological Federation Conference, Mt. Laurel New Jersey.

- 2002 Interisland Exchange, Settlement Hierarchy, and a Taino-Related Chiefdom on the Anguilla Bank, Northern Lesser Antilles (JGC and James B. Petersen). Paper presented at the invited symposium “Late Ceramic Age in the Caribbean,” Leiden Netherlands and Paris, France.
- 2001 J. F. Pendergast and the St. Lawrence Iroquoians of Northern New England (James B. Petersen, JGC, and Joshua R. Toney). Paper presented at the 2001 Annual Meeting of the Eastern States Archaeological Federation, Watertown, New York.
- 2000 Prehistoric Trade and Exchange in Northern New England: Archaeological Occurrences of Kineo Rhyolite. Paper presented at the Vermont Archaeological Society Fall Meeting, Burlington.
- 1999 Stratified Sites and Storm Events: Formation and Destruction of Beach Sites in Anguilla, West Indies. (JGC). Paper presented at the 64<sup>th</sup> Annual Meeting of the Society for American Archaeology, Chicago.
- 1999 Late Saladoid to Late Prehistoric Occupation in Anguilla: Site Setting, Chronology and Settlement Hierarchy. (James B. Petersen and JGC). Paper presented at the 17<sup>th</sup> International Congress for Caribbean Archaeology, St. Georges, Grenada.
- 1998 Chiefdom Development in the Eastern Caribbean: Investigating the Emergence of Complexity in Prehistoric Anguilla. (JGC). Paper presented at the 63<sup>rd</sup> Annual Meeting of the Society for American Archaeology, Seattle.
- 1995 The Forest North Site and Post-Saladoid Settlement in Anguilla. (JGC). Paper presented at the 16<sup>th</sup> International Congress for Caribbean Archaeology, Basse Terre, Guadeloupe.
- 1993 Saladoid Period Lithic Technology as Seen from the Trants Site, Montserrat, West Indies. (JGC). Paper presented in the invited symposium “Early Saladoid Period Settlement of the Lesser Antilles: Implications from the Trants Site, Montserrat” at the 58<sup>th</sup> Annual Meeting of the Society for American Archaeology, St. Louis.
- 1993 Preceramic Anguilla: A View from the Whitehead’s Bluff Site. (JGC, James B. Petersen, and Nik Douglas). Paper presented at the 15<sup>th</sup> International Congress for Caribbean Archaeology, San Juan, Puerto Rico.
- 1991 Flaked Stone Industries at the Early Saladoid Trants Site, Montserrat, West Indies. (Robert N. Bartone and JGC). Paper presented at the 14<sup>th</sup> International Congress for Caribbean Archaeology, Bridgetown, Barbados.

#### **INVITED LECTURES AND PUBLIC PRESENTATIONS:**

- 2009 The First People. Invited lecture as part of the Indigenous Expressions Speaker Series, Echo at the Leahy Center for Lake Champlain, Burlington, Vermont.
- 2008 “A Small Island Perspective on Exchange, Cosmology and Inequality: A Case Study from the Northern Lesser Antilles.” Invited lecture as part of the University of Florida Department of Anthropology Colloquia, Gainesville, Florida.

- 2008 "Cartier and the St. Lawrence Iroquoians." Invited lecture as part of the conference Realities and Relationships of 1<sup>st</sup> Contact among the Native Americans and Europeans, Vergennes, Vermont.
- 2006 "Native Americans in the Champlain Valley from 10,000 B.C. to European Contact: New Archaeological Discoveries." Invited lecture, Green Mountain College, Poultney, Vermont.
- 2006 "Recent Archaeological Discoveries in the Otter Creek Drainage." Invited lecture, Lake Champlain Maritime Museum Distinguished Speaker Series, Vergennes, Vermont.
- 2006 "Human History of Lake Champlain." Osher Institute for Lifelong Learning, St. Albans, Vermont.
- 2005 "The Earth as Seen from Space: The Use of Satellites in Archaeology" Invited lecture presented to the Echo Science Center, Burlington, Vermont.
- 2003 "Recent Archaeology at the Bohannon Site in Alburg, Vermont." Invited lecture presented to the Franklin and Grand Isle County Rotary Club, St. Albans, Vermont.
- 2003 "Driving by 11,000 years of Human History in Vermont: Native American Archaeological Sites Discovered in Advance of the Circ Highway." Invited lecture presented as keynote address to annual meeting of the Vermont Engineers Society, Burlington.
- 2003 "Underwater Prehistoric Sites in the Champlain Valley." Invited lecture presented in the Lake Champlain Maritime Museum Summer Lecture Series, Vergennes, Vermont.
- 2003 "The Contributions of Regulatory Archaeology to the Understanding and Management of Vermont's Nonrenewable Past." Invited lecture presented for the Center for Research on Vermont's Research-in-Progress Series, Burlington, Vermont.
- 2003 "Archaeology of Essex Junction: Sites Discovered in Advance of the Chittenden County Circumferential Highway and other Development Projects." Brownell Library, Essex Junction, Vermont.
- 2002 "Public Outreach Archaeology for the Chittenden County Circumferential Highway." Invited presentation at Vermont's Eighth Annual Historic Preservation Conference, Rutland, Vermont.
- 2002 "Recent Prehistoric and Historic Archaeological Investigations within the City of Burlington: Documenting and Preserving Cultural Resources while Promoting Conscious Development" (JGC and Kate Kenny). Invited lecture presented in the Lake Champlain Maritime Museum/Preservation Burlington Lecture Series, Burlington, Vermont.
- 2002 "A Rare 16<sup>th</sup> Century Village Site in the Champlain Valley." Invited Great Discoveries in Vermont Archaeology Lecture. The Pavilion Building, Montpelier, Vermont.
- 2001 "Report on Archaeology Conducted for the Mississquoi Bay Bridge." Invited presentation sponsored by the Historical Societies of Grand Isle County and Swanton as part of Archaeology Week 2001, Isle La Motte, Vermont.

- 2001 “Archaeological Excavations in the Town of Colchester and Archaeology Conducted for the Chittenden County Circumferential Highway.” Invited lecture at the Burnham Library, Colchester, Vermont.

## **EXTERNAL REVIEWER FOR ARTICLES AND GRANT PROPOSALS**

2007-present Archaeology Heritage Center in Billings Feasibility Study Committee  
 2007-2009 Fleming Museum Quadracentennial Exhibit Planning Committee  
 2007 Member, Departmental Search Committee for Junior Archaeology position  
 2006 Lecturer, Osher Lifelong Learning Institute  
 2005-present Executive Committee, Center for Research on Vermont  
 2005-present, member Departmental Curriculum Committee  
 2005-2006 Advisory Committee, Fleming Museum Native American Hall  
 2005 Member, Departmental Search Committee for Senior Archaeologist/Chair

## **TECHNICAL REPORTS**

### *\*INCOMPLETE LISTING\**

*Archaeological Phase II Data Recovery Excavations Along the VELCO High Voltage Transmission System Upgrade, Northwest Vermont Reliability Project 345kV Line, Rutland and Addison Counties, Vermont.* F. Robinson, JGC, J. Robins, K. Kenny, and G. Mandel. University of Vermont Consulting Archaeology Program Report No. 558. 2009. 342 pp.

*Archaeological Resources Assessment for the Proposed Canal Street Veterans Housing Project City of Winooski, Chittenden County, Vermont.* University of Vermont Consulting Archaeology Program Report No. 551. 2009. 16 pp.

*Archaeological Resources Assessment for #4 North Main Street Alburgh, Grand Isle County, Vermont.* University of Vermont Consulting Archaeology Program Report No. 550. 2009. 16 pp.

*Archaeological Resources Assessment for the Former Richmond Creamery, #125 Bridge Street and #74 Jolina Court, Richmond, Chittenden County, Vermont.* Kate Kenny and JGC. University of Vermont Consulting Archaeology Program Report No. 538. 2009. 26 pp.

*Archaeological Resources Assessment for the 157-159 South Champlain Street Project, Burlington, Chittenden County, Vermont.* Kate Kenny and JGC. University of Vermont Consulting Archaeology Program Report No. 537. 2009. 28 pp.

*Archaeological Phase I Site Identification Survey for the Vermont Air National Guard Security Forces Building Project, South Burlington, Vermont.* Francis Robinson, Geoff Mandel and JGC. University of Vermont Consulting Archaeology Program Report No. 533. 2009. 41 pp.

*Archaeological Resources Assessment for the Proposed T-Mobile Site ID:4BV0366B/Nuzzo Raw Land Cell Tower, Jeffersonville, Lamoille County, Vermont.* Jennifer Robins and JGC. University of Vermont Consulting Archaeology Program Report No. 532. 2009. 8 pp.

*Archaeological Resources Assessment and Archaeological Phase I Survey for the Vermont Army National Guard Westminster Training Area Property, Westminster, Vermont.* Jennifer Robins and JGC. University of Vermont Consulting Archaeology Program Report No. 531. 2009. 21 pp.

*Archaeological Resources Assessment for the Proposed Champlain College Perry Hall Addition Project.* Kate Kenny and JGC. University of Vermont Consulting Archaeology Program Report No. 527. 2008. 11 pp.

*Archaeological Resources Assessment for the Proposed Champlain College Residential Quadrangle Project* Kate Kenny and JGC. University of Vermont Consulting Archaeology Program Report No. 526. 2008. 16 pp.

*Archaeological Resources Assessment and Feasibility Study for the Proposed Relocation of the Aldrich Burying Ground, Hartland, Windsor County, Vermont.* Kate Kenny and JGC. University of Vermont Consulting Archaeology Program Report No. 522. 2008. 27 pp.

*Archaeological Resources Assessment for the Bridge Street Bridge Project BHF 0209(5), Town of Richmond, Chittenden County, Vermont.* Kate Kenny and JGC. University of Vermont Consulting Archaeology Program Report No. 519. 2008. 21 pp.

*Archaeological Resources Assessment for the Gorton Property Development in Bridport, Addison County, Vermont.* Jennifer Robins and JGC. University of Vermont Consulting Archaeology Program Report No. 518. 2008. 13 pp.

*Archaeological Resources Assessment for the Gorton Property Development in Cornwall, Addison County, Vermont.* Jennifer Robins and JGC. University of Vermont Consulting Archaeology Program Report No. 517. 2008. 12 pp.

*Archaeological Resource Assessment 0 Browns Court(#172, #176, #188, and #188½ St. Paul Street), City of Burlington, Chittenden County, Vermont.* (Kate Kenny and

JGC). University of Vermont Consulting Archaeology Program Report No. 501. 2008. 35 pp.

*Archaeological Resources Assessment for the Gold Brook Creamery Site Within the Stowe VT 100 Bridge #208 Project BRF 029-1(17), Stowe, Lamoille County, Vermont.* (Kate Kenny and JGC). University of Vermont Consulting Archaeology Program Report No. 499. 2008. 39 pp.

*Archaeological Phase I Site Identification Survey and Phase II Site Evaluation of Sites VT-CH-995 and VT-CH-996 Located Within the Proposed Spear Meadows Subdivision Project, South Burlington, Chittenden County, Vermont.* (Andrew Fletcher and JGC). University of Vermont Consulting Archaeology Program Report No. 478. 2008. 56 pp.

*The Spaulding Site: Archaeological Phase III Data Recovery at the Spaulding Site, VT-WN-188 for the Royalton Route 14 Project, BRS 0147(13), Windsor County, Vermont.* (Geoffrey Mandel, JGC and Kate Kenny). University of Vermont Consulting Archaeology Program Report No. 370. 2008. 82 pp.

*Archaeological Monitoring for the Champlain Housing Trust within the Banknorth Block, City of Burlington, Chittenden County, Vermont End of Field Letter Report.* (Kate Kenny and JGC). University of Vermont Consulting Archaeology Program Report No. 495. 2007. 12 pp.
